Okay, we will just send a response letter. I will remove Francis George's name from the list.

Hello Chris. I'm confused. I thought a response letter (not a calendar invite) from Corps/EPA was being sent to YN's Chairman confirming January 5th at 10am as the agreed upon date/time for the GtoG meeting is what was being sent. Sending the letter via email to the Chairman with cc's to Gerald Lewis, Phil Rigdon, Donella Miller and myself is appropriate.

Also, please remove Francis George from your list. Mr. George (b)(6)

Thank you,
rose

Thank you Rose. I will send out a meeting invite with the agenda that includes everyone listed below. Do I need to email everyone on the list with the meeting invite? If so, please provide their email addresses, or let me know who to send the meeting invite to if not everyone listed below. Also, can you provide directions to the meeting place.

Thanks,
Chris

Subject: [Non-DoD Source] Re: Bradford Island - GTG Consultation Date

Hello.

Soon after our meeting this morning, I received direction and sent an email stating that:

YN Tribal Council has decided that they want an in-person government-to-government meeting to discuss Bradford Island cleanup and NPL listing. The in-person meeting will be held with COVID safety measures that meet or exceed CDC guidelines.

Here are available dates for arranging this meeting:

- * January 4, 5, or 6, 2022 from 10am to 12pm
- * February 1, 2, or 3, 2022 from 10am to 12pm

Unfortunately, a virtual meeting is not an option. Could you please check on your management's availability for these dates?

Thank you,
rose
